

*It's that time again for our annual Baltimore County 4-H Fair! As always, this is a wonderful time for our youth to share the wonderful projects they've worked on throughout the year and demonstrate their new skills! The fair is a great way to show the community that 4-H is for EVERYONE! We have projects that include leadership, environmental science, nutrition, workforce readiness, citizenship, animal science and much more! This wonderful event takes a year to plan and is an exciting week for the youth, volunteers, families and the community. A HUGE thank you to the dedicated volunteers and supporters who make this event an annual success. See you at the fair!*
